with AIM

GATEWAY to Aviation & Hospitality Excellence

AIM is the pioneer in India offering UG & PG Programmes specifically focused on Aviation , Hospitality & Tourism Management Industries , Airhostess. Designed after comprehensive research, these path breaking programmes are best of their kind in the country. Students at AIM benefits from the insights, experience and knowledge from a team of experts who have contributed substantial content and knowledge to our courses, providing learners with access to learning edge thinking and best practices in Aviation, Hospitality & Tourism operations and strategy.

INDIA is the fastest growing aviation market experiencing an exponential growth, and growing at a fast pace of 15%.

- Today it's the 9th largest in the world and by the end of this decade would be 3rd largest after US & China
- India needs 400 airports and 300 aircraft in the next decade
- 40,000 Airhostess and Airport Ground job opportunities in next 3 years
- By 2019 hospitality sector is expected to be the second largest employer in the world
- According to the tourism ministry , 44lakh tourists visited India last year and this demand will soar to 1 crore

AIM , in its objective to enhance the competitiveness of the Indian Industry and all key sectors of the economy, has initiated courses in Skill development and knowledge enhancement for Aviation , Hospitality & Tourism professionals in India. As a part of this endeavor AIM has been offering BBA program in Aviation Management associated with Bharathiar University, Coimbatore Bharathiar University is accredited with A'grade by NAAC , approved by University grants commission (UGC) and Distance education council (DEC) and placed among the top ten Universities at National level & ranked second among the non-Professional Universities by Times of India.
